Sharetec Welcomes 18 New Credit Unions in 2021

LINO LAKES, MN – Sharetec System, one of the fastest growing core systems offering the *technology of simplicity*, is pleased to announce 18 new credit unions have partnered with Sharetec to be their next core banking solution.

Throughout 2021, Sharetec partnered with 18 new credit unions to join the Sharetec team. Selecting Sharetec core processing has many advantages. Combined with receiving the highest to date customer satisfaction score, Sharetec's momentum has really grown in 2021.

Krista Christian, CEO, First Priority FCU, comments, "We are truly looking forward to making the most of Sharetec's advanced features and functionality. Our members will be receiving upgraded online/mobile banking tools that will be very attractive to them after the conversion. We feel certain that our members will find these new tools extremely helpful as they navigate the new system, making Sharetec a win-win for everyone involved. We are excited to see what Sharetec will bring to the credit union as a partner in our growth."

Tim Moorman, President of Riverside Community FCU, continues, "The Riverside Community team is excited to move into the Sharetec system, and hope to use it as long as we had our last system. After a detailed search into a variety of other core systems, we felt the technology that Sharetec offers is exactly what we have been looking for in a core partner and feel that Sharetec will bring great opportunity to the credit union and more options for our members."

"Sharetec is humbled and thankful so many credit union staffs and boards have voted to partner with us. Our support and service teams deserve a lot of credit for delivering even better service in 2021. We are looking forward to helping our newest credit unions advance alongside Sharetec Core," comments Matt Isger, Regional Director for Sharetec.
