*Programs planned for Nashville and Portland, OR*

MIDDLETON, Wis. – Registration is now open for ACUMA’s 2022 Deep-Dive Workshops, providing a unique format for learning and networking in a setting that encourages interaction. The workshops offer the same program in two locations: Nashville May 3-4 and Portland, Oregon June 14-15.

At the ACUMA workshops, we’ll be diving into topics like top mortgage compliance considerations for 2022, industry analysis from Callahan & Associates, effective advocacy for credit unions, MLO comp, habits of highly effective credit unions, assessing mortgage price competitiveness and more.

Attendees will also receive an in-depth opportunity to hear and discuss the latest industry developments and trends with mortgage experts and credit union leaders. In addition to sessions, we’ll offer roundtables with topics attendees select themselves. [Register for ACUMA workshops](#). ACUMA members receive the best rates.
