BCU ANNOUNCES NEW PARTNERSHIP WITH LUMIN DIGITAL

VERNON HILLS – October 4, 2021: BCU has announced a new partnership with Lumin Digital for its Digital Banking platform, in anticipation of elevating the digital experience for the Credit Union's 300,000+ members in the summer of 2022.

California-based Tech company, Lumin Digital, a PSCU company, is a cloud-native Digital Banking provider. BCU's upgrade comes at a time when anytime, anywhere access is more important than ever, both to our members and in our industry.

In addition, to bringing parity to the Credit Union's Mobile Banking App capabilities across all devices, this upgraded experience will include easier money movement, a more intuitive, personalized experience, simple easy-to-use navigation, and advanced security.

Additional features will include enhanced remote deposit, sophisticated automation at unparalleled speed, spending insights, easy money movement and advanced financial well-being tools.

"While BCU has achieved an impressive level of digital maturity up until now, this partnership with Lumin Digital will take our Digital Banking platform to the next level for our members, further strengthening our relationship with PSCU, and enabling us to increase member value and engagement at every step," says Dave Blum, BCU Executive Vice President.

"We keep the member first in every decision that we make. At this point in our Digital Banking journey, Lumin Digital is the right partner to bring new and exciting capabilities to our members."

Carey Price, Senior Vice President

"We are incredibly honored to partner with BCU and their exceptional team. The Credit Union's commitment to innovative and seamless member experiences using the latest cloud technologies makes them a perfect fit for Lumin Digital," says Jeff Chambers, president of Lumin.

"We keep the member first in every decision that we make. At this point in our Digital Banking journey, Lumin Digital is the right partner to bring new and exciting capabilities to our members," says Carey Price, BCU Senior Vice President. Continues Price, "We look forward to continuing to empower our members to discover financial freedom by providing caring support and services that our members value and deserve."

About BCU: BCU is a purpose-driven organization that empowers people to discover financial freedom. At \$4.9 billion in assets, it's also one of the fastest growing credit unions in the last four decades. Both not-for-profit and member-owned, the credit union is driven by the commitment to provide extraordinary service for over 300,000 members across the U.S. and Puerto Rico. BCU members enjoy access to financial services and well-being programming that inspire confidence through the brand promise "Here Today For Your Tomorrow". Lifetime membership is offered to employees and families of America's best workplaces and those living or working in Chicago-area communities. [Learn more at BCU.org](http://bcu.org).

About Lumin Digital: Lumin Digital, a PSCU company headquartered in San Ramon, Calif., delivers digital banking solutions to financial institutions across the United States.
