

BluCurrent Credit Union Partners with PSCU for Credit and Debit Card Processing Services

St. Petersburg, Fla. — (Oct. 13, 2021) — [PSCU](#), the nation's premier payments credit union service organization (CUSO), has announced that [BluCurrent Credit Union](#) (BluCurrent) has joined the cooperative for credit and debit processing and support services. [Lumin Digital](#) – a PSCU company – will also provide the credit union with online and mobile digital banking solutions.

Founded in 1929 in Springfield, Mo., BluCurrent is committed to providing affordable financial services for its members. Currently holding more than \$264 million in assets, the credit union was searching for a long-term partner dedicated to continuously advancing its products and services. Following a comprehensive review, BluCurrent selected PSCU.

"BluCurrent and PSCU share a commitment to service excellence, making this new partnership an ideal fit," said Scott Wagner, EVP, chief revenue officer at PSCU. "We look forward to working alongside BluCurrent to provide its members with cutting-edge technologies and best-in-class services for an elevated and enhanced member experience."

PSCU's credit and debit card processing capabilities extend well beyond the transaction. Through the CUSO's industry-leading technology, credit unions can start, service, protect and increase the performance of their card programs. From fraud monitoring capabilities to access to a robust data and analytics warehouse, as well as mobile and online card management, working with PSCU helps credit unions earn and retain top-of-wallet status.

BluCurrent also signed a multi-year agreement with Lumin Digital, a PSCU company that provides cloud-native digital banking services. Lumin Digital provides members with a tightly integrated and customized experience that matches larger financial institutions' offerings. In creating a truly personalized journey, Lumin Digital helps credit unions and banks better engage with their members, increase value and deepen relationships.

"As a CUSO founded, owned and governed by credit unions, we knew the PSCU and Lumin Digital teams would always have our credit union's and members' best interests at heart," said Jesse Jantz, SVP of Information Systems, BluCurrent. "Both PSCU and Lumin Digital are leaders in the industry, and we are eager to make their innovative technologies, tools and services available to our members."

PSCU and Lumin Digital will support more than 23,000 BluCurrent members when the credit union goes live in the fourth quarter of 2021.
