## Local credit unions commit to giving this July

*Kids Win, You Win*

MINNEAPOLIS, July 1, 2021- Credit unions have a long-standing commitment to supporting Children's Miracle Network Hospitals.

Throughout the month of July (1-31), four Minnesota credit unions will be partnering for the **Kids Win, You Win** campaign, raising funds for Children's Miracle Network Hospitals.

Anoka Hennepin Credit Union (Coon Rapids), MY Credit Union (Bloomington), SPIRE Credit Union (Falcon Heights), and SouthPoint Financial Credit Union (Waconia) are working with NetGiver, the fee-free charitable giving app, to ensure that 100% of every donation reaches the cause.

“We’re proud to team up with credit unions to facilitate the Kids Win, You Win campaign. NetGiver is committed to supporting credit unions as they come together to help their broader communities.” said Eric Berg, president and co-founder of NetGiver. NetGiver is available to all users in both app stores and works seamlessly with a donor’s credit union or bank account. “Our partner credit unions are covering the fees for all donations to CMN Hospitals, and any charity. They believe in supporting your giving decisions. Whether you’re a member of their credit union, or you aren’t, you’re still a member of the community.”

Children's Miracle Network Hospitals is an organization of 170 children's hospitals across North America, serving 10 million children every year. CMN Hospital's mission is to save and improve the lives of as many children as possible. The full cost of treatment isn't always covered, and it falls upon the network to meet the needs through the generosity of those charitable gifts.

Every donation made through NetGiver in the month of July will be automatically entered into a weekly drawing for a \$100 VISA gift card. Visit [netgiverapp.com/cmn21](https://netgiverapp.com/cmn21) for sweepstakes rules and information.
