

FORUM Credit Union Announces 2021 Member Giveback and Savings Winners

Indianapolis, Indiana, January 19, 2022 – Each year, FORUM Credit Union gives cash back to its members through a variety of savings and prize based rewards. This commitment to give back to members is based on the financial cooperative spirit embodied in credit unions. In 2021, FORUM gave back over \$2.5 million in rewards to members.

As part of FORUM's savings and prize based rewards, FORUM awarded \$1,376 to [52 Week Money Challenge](#) winner, Taneshia Butts, a FORUM member since 2013. When members open this incremental savings account, they are entered to win \$1,378 by making 26 deposits during a 12-month period, and saving at least \$1,378. Winners were also chosen for FORUM's [Bonus 5 Fund](#). With this account, members can earn monthly and annual cash prizes for regular savings. In 2021, five annual winners were chosen who each received \$500.

In addition to prize based savings, FORUM gives back to members through checking account and credit card rewards, various internet offers, and educator grants and collegiate scholarships through the FORUM Foundation. The [FORUM Foundation](#) has provided over \$965,000 in grants and scholarships since 2014. Accounts are also available to help parents save for their child's future. With a FORUM [Sprout Account](#), FORUM matches 10% of deposited funds per calendar year at various tier levels with a maximum yearly match of \$100.

Doug True, CEO of FORUM Credit Union, comments about giving back, "This is a testament to our member-centric approach and how we fulfill our purpose of helping members live their financial dreams."
