**INDIANA MEMBERS CREDIT UNION CONTRIBUTES \$505 TO HENDRICKS
REGIONAL HEALTH FOUNDATION**

(Indianapolis, IN, May 2021) Indiana Members Credit Union (IMCU) recently presented a check for \$505 to Hendricks Regional Health Foundation as part of an ongoing debit card giveback program. The partnership allows members to show their support of the independent nonprofit hospital by signing up for a Hendricks Regional Health debit card. Every time the card is used as a signature based transaction, Hendricks Regional Health Foundation benefits. The more cards that are in use, the larger the contribution. Since beginning the program in 2017, Hendricks Regional Health Foundation has earned \$3,692 through this IMCU giveback program.

Gina Terril, Business Development Manager, IMCU and Abbi Voegel, Business Development Officer, IMCU, presented the check to Adam Scott, Executive Director, Hendricks Regional Health Foundation and Community Relations, and Kevin Speer, President and CEO, Hendricks Regional Health, on Wednesday, May 5, 2021 at Hendricks Regional Health.

The card is available for issue to members at IMCU's three convenient full-service branches in Hendricks County, as well as IMCU's other 27 locations. The Hendricks Regional Health debit card is free to members with IMCU's free checking account and can be issued immediately via IMCU's Instant Issue program, which allows members to receive their debit card on the spot. To support Hendricks Regional Health Foundation with an IMCU debit card, those interested should visit an IMCU branch or imcu.com for details.
