LSCI To Host Management Institute in Nashville in May

ARLINGTON HEIGHTS, IL, January 27, 2022 – Lending Solutions Consulting (LSCI) is excited to announce it will be hosting its popular Management Institute in Nashville May 10-11. Designed for management and C-suite personnel, LSCI’s Management Institute is the foremost conference for credit union executives. Once a year, top leaders in the industry gather to share best practices, specific tactics to increase earnings, and strategies for success.

“With 2021’s conference being canceled due to Covid, we’re thrilled for the return of the Management Institute in 2022,” stated Bill Hultstrand, Vice President of Business Development at LSCI. “This particular event has really evolved over the years into one of the premier networking and educational conferences for credit union executives. We are truly looking forward to seeing many of our long-time clients again, as well as meeting first-timers.”

The Management Institute will be held May 10-11 at the AC Hotel in downtown Nashville. Further information and registration details can be found online at <http://www.rexcuadvice.com/university-of-lending/courses/management-institute-may-10-11-nashville-tn>.

“Our goal for the Management Institute has always been to provide an environment where attendees can bring back a handful of tangible ideas that they can immediately implement at their credit union to make a difference,” Hultstrand added. “As credit unions face increasing competitive pressures and continue to look for new ways of serving their members, it will be more imperative than ever to share ideas and learn from each other going forward.”

Now in its 26th year of offering training solutions and ancillary services to credit unions, LSCI’s upcoming course schedule can be found online at: <http://www.rexcuadvice.com/e-course-schedule>.
