

## Lumin Digital to Provide DuPont Community Credit Union with Digital Banking Solution

**San Ramon, Calif. — (June 2, 2021)** — [Lumin Digital](#), a PSCU company, announced that [DuPont Community Credit Union](#) (DCCU) has signed a multi-year agreement for Lumin Digital's cloud-native platform for online and mobile digital banking solutions. DCCU has been part of the PSCU cooperative since 1996.

Founded in 1959 in Waynesboro, Va., and currently holding more than \$1.6 billion in assets, DCCU is committed to providing best-in-class products and services that help improve the financial wellness of its members. The credit union believes in the importance of advancing technology to meet the evolving needs of its growing membership and feels the transition to Lumin Digital will help DCCU provide a seamless member experience across all channels and devices.

"DCCU has always strived to create a digital member experience that complements the consultative, friendly and educational environments in our branches and contact center," said Steve Elkins, president/CEO of DCCU. "Lumin Digital's innovative focus on member engagement and intuitive interface made moving to the platform an easy decision for our team."

Lumin Digital will support more than 110,000 DCCU members when the credit union goes live on the platform in July.

"We are excited to move to a product that offers seamless integration with both third-party organizations and DCCU's own offerings," said Michael Tranum, chief information officer at DCCU. "Thanks to a robust software development kit (SDK), Lumin's platform will allow us to quickly release enhancements and new products simultaneously to both desktop and mobile users."

As a cloud-native digital banking platform built using elite technology, Lumin Digital provides members with a tightly integrated and customized experience that matches larger financial institutions' offerings. In creating a truly personalized journey, Lumin Digital helps credit unions and banks better engage with their members, increase value and deepen relationships.

"We are extremely pleased that DCCU chose to partner with Lumin Digital and expand its partnership with the PSCU family," said Jeff Chambers, president of Lumin Digital. "Lumin Digital shares DCCU's commitment to elevating and enhancing member technology, and we look forward to working alongside DCCU to provide its members with cutting-edge products and services."

Lumin Digital continues to drive innovation in the digital banking space, differentiating itself through technology built for human connection. Lumin Digital's offering provides seamless integration to a wide array of PSCU and other platform tools and capabilities, including card services, rewards management, and data analytics to provide a member-centric experience.
