

## Fort Financial Credit Union Selects Lumin Digital for Digital Banking Services

**San Ramon, Calif. — (March 25, 2021)** — [Lumin Digital](#), a PSCU company, is pleased to announce [Fort Financial Credit Union](#) (Fort Financial) has signed a multi-year agreement for Lumin Digital's cloud-native platform for online and mobile digital banking solutions. Lumin Digital will support more than 30,000 Fort Financial members when the credit union goes live on the platform in September 2021.

Founded in 1946 and headquartered in Fort Wayne, Ind., Fort Financial shares its members' values of honesty, integrity, and respect for the hard-earned dollar. In line with these values, Fort Financial is committed to developing new products and services while also advancing its technology to meet the ever-changing needs of its growing membership. This commitment made a partnership with Lumin Digital the ideal fit.

"Lumin Digital's forward-thinking development is exactly what we were looking for in a digital banking partner," said Steve Collins, president and CEO of Fort Financial Credit Union. "We have no doubt that our members will appreciate the enhanced capabilities Lumin Digital provides, and we look forward to giving them access to industry-leading, cutting-edge online banking technology through this partnership."

As a cloud-based digital banking platform built using elite technology, Lumin Digital provides members with a tightly integrated and customized experience that matches larger financial institutions' offerings. In creating a truly personalized journey, Lumin Digital helps credit unions and banks better engage with their members, increase value and deepen relationships.

"Both Fort Financial Credit Union and Lumin Digital are dedicated to advancing technology to enhance the member experience, which makes our partnership a good match," said Jeff Chambers, president of Lumin Digital. "We are eager to work with the Fort Financial team to effectively serve its members through the new platform and look forward to all of the successes to come."

Lumin Digital continues to drive innovation in the digital banking space, differentiating itself through technology built for human connection. Lumin Digital's offering provides seamless integration to a wide array of PSCU and other platform tools and capabilities, including card services, rewards management, and data analytics to provide a member-centric experience.
