First Financial Credit Union Announces Return of Donation Program Matching Dollars 4 Schools

In the spirit of giving this holiday season, First Financial Credit Union is proud to announce the return of its *Matching Dollars 4 Schools* donation program. This is a great cause and further demonstrates the credit union's commitment to the educational community.

Now through December 31, 2021, every generous donation will be matched dollar for dollar by the credit union.

Nearly 90 years ago, First Financial was founded by educators for educators. Since that time, it has proudly championed the California educational community through prosperous and challenging times.

“Supporting schools, teachers and students has always been a key part of how we give back to the local communities we serve,” states Carlton Musmann, President/CEO. “We introduced this program last year. Our members and staff were very charitable and donated over \$12,000 to local schools,” continued Musmann.

First Financial has 11 branches in Southern California, serving the San Gabriel and San Fernando Valleys, Los Angeles County, Orange County, San Diego County and the Inland Empire. Membership is open to the California educational community, college students enrolled in an accredited California college/university and active alumni, and their family members.
