### **Genesee Valley FCU Renews Agreement With Synergent for Multiple Service Solutions**

(WESTBROOK, ME) - Synergent is pleased to announce that [Genesee Valley FCU](#) has signed a new seven-year agreement with Synergent to provide and support the credit union's most critical operational and member-facing services, including the Symitar® Episys® core processing system. Genesee Valley's renewal with Synergent also includes integrated debit cards through Fiserv and mobile banking with Access Softek, as well as solutions for check processing, statement processing, Bill Pay through iPay, WyCom laser check printing, and mobile deposit capture through Ensenta.

"Synergent has been our credit union's valued partner since 2015," said Gerard Koehler, CEO of Genesee Valley FCU. "We rely on their products, services, and expertise, and we are pleased to continue our trusted relationship with them."

Genesee Valley FCU, headquartered in Geneseo, New York, was chartered in 1974 by the Genesee Valley Teachers Association. Since that time, the credit union has expanded and serves members in Livingston and Wyoming counties. It has nearly 9,500 members and holds over \$134 million in assets.

"It's an honor to continue serving Genesee Valley FCU in this capacity," said Scott Johnsen, Synergent's Senior Vice President of Operations. "Backed by the powerful Symitar Episys core, Synergent connects them with the financial tools and solutions they need to carry out their mission and help their members achieve financial success. It is a tremendous partnership and one that my team and I are thrilled to extend."
