## **HRCU Signs Multi-Year Agreement with Synergent for Payment Processing Services**

(WESTBROOK, ME) – Synergent is pleased to announce that [Holy Rosary Credit Union](#) (HRCU) has extended and expanded its payment processing services agreement with Synergent to include card processing. The credit union also partners with Synergent for the delivery of [Symitar's® Episys®](#) core processing system, share draft and statement processing, and marketing services.

"As our trusted vendor for data services, we are very excited to expand our payment processing relationship," said Brian Hughes, President and CEO of HRCU. "HRCU continues to have very strong growth and Synergent continues to be there for us every step of the way."

HRCU is a community credit union, providing mortgages, digital banking, financial planning, and business lending services to individuals who live, work, worship, or attend school in New Hampshire or York County, Maine. The credit union has over 22,100 members and holds over \$379 million in assets.

"Synergent is pleased to extend our partnership with HRCU," said Scott Johnsen, Synergent's Senior Vice President of Operations. "It is a privilege to support the credit union's growing strength of offerings and better position them to concentrate on what matters most: their members!"
