**First Financial Credit Union Donates  
Over \$8,000 to Local Schools**

First Financial Credit Union, headquartered in Pasadena, California, donated over \$8,000 to local schools from contributions made to the credit union's *Matching Dollars 4 Schools* donation program.

Nearly 90 years ago, First Financial was founded by educators for educators. We value and take tremendous pride in serving the financial needs of the educational community.

"We are very appreciative of the generous nature of our staff, volunteers and members who collectively donated over \$4,000. Each donation was matched dollar for dollar by the credit union, which enabled us to donate over \$8,000. Without their support, this program would not be possible," stated Carlton Musmann, President/CEO.

CIS Academy in Pasadena; Maple Primary Center and Sixty First Street Elementary School in Los Angeles and Slawson Southeast Occupational Center in Bell are the recipients. "We hope this donation will help ease any budgetary challenges," continued Musmann.

For the second consecutive year, *Matching Dollars 4 Schools* was held during the 2021 holiday season.

First Financial has 11 branches in Southern California, serving the San Gabriel and San Fernando Valleys, Los Angeles County, Orange County, San Diego County and the Inland Empire. Membership is open to the California educational community, college students enrolled in an accredited California college/university and active alumni, and their family members.
