Hadley, MA – UMassFive College Federal Credit Union (UMassFive) is excited to announce that high school senior Aiko Lozar was awarded a \$2,000 scholarship on behalf of the Credit Union by the Pioneer Valley Chapter of Credit Union annual scholarship program. Scholarships are awarded to applicants based on academic achievements, community involvement, and a written essay.

Living with her family of UMassFive members, Aiko Lozar is a high school senior from Carlsbad, CA. Aiko's impressive application included the highest academic achievements of all applicants, as well as diverse and interesting extracurricular activities such as being a member of the robotics team, physics tutoring, play writing/directing/producing, videography, and Kung-Fu. Aiko will attend Chapman University in the fall, where she intends on majoring in Film Production with a minor in Business Administration.

We are so proud of Aiko, as well as the other 43 local and national high school seniors who submitted their applications for consideration. Our students are a very bright group of young people who are already doing lots of work in our communities across the country and will be sure to have a significant impact on the world.
