In recent years, credit unions have become more and more popular as people transition away from for-profit banks and toward more customer and member-oriented institutions. With a history dating back to 1967, a focus on sustainability, and a commitment to keeping their local economy strong, UMassFive has continued to grow and innovate, serving its members with the same passion that they’ve had since their earliest days. “We think their story will be meaningful as well as educational to our viewers,” said Kyle Freeman, Executive Producer of “World’s Greatest!”. “We are immensely thankful to How2Media for providing us this opportunity to amplify the mission of the Credit Union,” said Craig Boivin, VP of Marketing at UMassFive.

As part of the show, How2Media sent a film crew to spend time at UMassFive’s headquarters in Hadley to find out what the story behind the story is with the great and growing company, and to show the “World’s Greatest!” viewers why UMassFive College Federal Credit Union was selected as the best in their category, and therefore featured on the show.
