

# Sustainability Loan Options

At UMassFive, we believe a sustainable tomorrow can start today—that's why we support community-based sustainability projects, big and small. From clean alternative transportation, to heating and energy, UMassFive has a loan option for you.

## MySolar Loans

For the purchase and installation of solar electric systems. Low-interest and no closing costs.

## Bicycle Loans

Need help affording a bicycle? Our low rate, short term loans are a great solution.

## Quadrini Electric Bikes

Through our partnership with Electric Ride, we are able to offer a 0% Interest Loan on Quadrini bikes.

## Energy & Fuel Conservation Loans

Low rate loans for energy efficient appliances or other fuel-saving home improvements.

## HEAT Loans

Through MassSave® at 0% APR, for the installation of energy-efficient home improvements.

## 0% Farm Share Loan

Support local farms and enjoy great local food, by paying for your Farm Share over 6 months.
