BCU NAMED A COMPUTERWORLD 2026 BEST PLACE TO WORK IN IT

CHICAGO – December 9, 2025 – BCU has been ranked No. 2 among small organizations on Foundry's Computerworld 2026 Best Places to Work in IT. This recognition highlights BCU's belief that taking care of our people leads to better experiences for our members. From flexible work arrangements and inclusive culture to professional development and fun onsite perks, the Credit Union committed to helping employees thrive.

"Empowering our team to be authentic and supported drives innovation and collaboration," said Scott Zulpo, BCU Senior Vice President and Chief Technology Officer. "That's how we deliver exceptional value to our members."

"It's clear that AI is having a disruptive impact on IT operations and IT talent," says Barbara Call, global director of content strategy at Foundry. "This year's honorees demonstrate how organizations are proactively evolving their talent strategies to fill much-needed skills gaps and reskill existing staff to be more resilient and responsive to changing needs."

> **"Empowering our team to be authentic and supported drives innovation and collaboration."**
>
> *– Scott Zulpo, BCU SVP & CTO*

This is BCU's fifth appearance on the prestigious list, which is based on comprehensive evaluations of benefits, DEI, training, and future-of-work strategies.

About the Best Places to Work in IT list
The Best Places to Work in IT list is an annual ranking of the top work environments for technology professionals by Computerworld. The list is compiled based on a comprehensive questionnaire regarding company offerings in categories such as benefits, career development, DEI, future of work, training and retention. In addition, the rankings are reviewed and vetted by a panel of industry experts.
