Redwood Credit Union relocates Ukiah branch to modern new site

New location offers drive-up ATMs, upgraded technology for added convenience

UKIAH, Calif., April 20, 2026 — Redwood Credit Union (RCU) has moved its Ukiah branch from its current location at 195 S. Orchard Boulevard to a new, modern space at 414 E. Perkins Street in the Pear Tree Shopping Center.

The new full-service branch is designed to enhance the member experience with a spacious and contemporary layout that supports easier interaction between members and staff. The modernized environment offers improved flow, an inviting atmosphere, more safe deposit boxes, and upgraded consulting spaces.

The relocation also brings expanded access to convenient banking tools. The new branch will feature two drive-up and two walk-up ATMs, an upgrade from the previous site's two walk-up machines. These new ATMs offer extended flexibility for quick withdrawals, deposits, and account services at any time.

"We're excited to finally be able to share this modern, spacious location with our members," said Brett Martinez, RCU's President and CEO. "This milestone reflects our deep commitment to this community and to our members, creating a space designed to make banking easier and more convenient, while delivering the exceptional service they've come to expect from RCU."

Situated in the Pear Tree Shopping Center, the new branch provides members with the added benefit of better parking and a central location close to shops, dining, and other amenities, making it easier to integrate banking into everyday errands.

RCU's Ukiah team will continue offering full-service consumer and business banking, including competitive personal and business loans, free checking, high-yield savings options, no-haggle auto-buying services, and free financial coaching.

RCU has 22 branches in the North Bay and San Francisco.
