American Credit Union Mortgage Association (ACUMA) Announces 2023 Live Events

MIDDLETON, Wis. – Interested in becoming a more effective and successful credit union mortgage lender? Would you like to connect with other professionals in the mortgage lending industry and master new strategies to better serve existing and potential credit union members? Then mark your 2023 calendar for these in-person education and networking events sponsored by the American Credit Union Mortgage Association (ACUMA).

ACUMA WORKSHOPS

These two-day subject-intensive events enable select groups of participants to take deep dives into critical issues affecting the credit union mortgage lending industry. Topics and speakers are the same for both workshops, with varying geographic locations chosen to make attending easier and more economical for lenders from different parts of the country. Dates and locations for the 2023 workshops include:

- Place: Dallas/Plano Marriott at the Legacy Town Center, Plano Texas
Date: March 21-22, 2023
- Place: The Brown Hotel, Louisville, Kentucky
Date: Jun 13-14, 2023

ACUMA REGIONAL SUMMITS

One of the most popular and valuable aspects of ACUMA in-person events has been its Member Roundtables, participant-driven opportunities for credit union mortgage lenders at all levels of the profession to both lead and participate in discussions critical to their continued success. The ACUMA Regional Summits, new for 2023, allow for a day (plus an evening welcome reception) of both formal and informal networking for ACUMA's current and potential credit union and CUSO members. The events themselves are FREE to credit union participants; all you need to do is cover your own hotel and expenses.

The inaugural Regional Summits include:

- Mid-Atlantic Summit at Le Meridien, Arlington, Virginia

Date: April 17-18, 2023

- Rocky Mountain Summit at Gaylord Rockies Resort & Convention Center, Aurora, Colorado

Date: May 15-16

ACUMA ANNUAL CONFERENCE

It's the longest-standing meeting on the ACUMA calendar and by far the most comprehensive. Join the largest gathering of credit union mortgage lenders in the United States as they undertake a variety of topics and subject matter, learning from industry experts and top supporters of the credit union mortgage lending industry.

From legislative and regulatory issues to new marketing and service strategies to cutting-edge technology, conference topics are concurrent with today's challenges, and networking is a paramount part of the program. Learn from each other, then take that new knowledge back to your credit union for implementation and greater success. Make your mark at the 27th ACUMA Annual Conference:

- Place: Gaylord National Resort, National Harbor, Maryland

Date: Oct. 1-4, 2023

Mark your calendar and we will see you there!

About ACUMA

The American Credit Union Mortgage Association is a non-for-profit trade association dedicated to credit unions and mortgage lending. ACUMA provides resources and education to credit unions aimed at streamlining performance, processes, and procedures for real estate lending services. ACUMA's goal is to encourage credit unions to help more consumers get fairly priced and safe mortgage loans delivered locally, and in so doing, providing them with a pathway to the American dream of home ownership. ACUMA brings together the shared real estate lending and financing interests of hundreds of credit unions and CUSOs. ACUMA member organizations include federal and state chartered credit unions and CUSO, mortgage insurance companies, secondary market investors, investment banking firms and technology companies. Visit ACUMA's website at www.acuma.org for more information.
