TAMPA, FL, November 2022: GTE Financial, one of Tampa's leading financial institutions, announces it is now offering checking accounts to local nonprofit organizations to position them for maximum impact with fewer fees, more services, and partnership opportunities. With GTE's commitment to philanthropy and nonprofits around Tampa Bay, the credit union is proud to offer organizations an option that aligns with their financial needs and mission.

"As a credit union, we are heavily involved in the community and thus want to further support nonprofit organizations as much as we can," comments Manny Aguilar, SVP of Commercial & Advisory Services. GTE's business nonprofit checking benefits include discounted business services, complimentary incoming wires, non-cash items, and cash deposits; no monthly maintenance fees; free checks, cashier checks, and money orders; dividends; and more.

In addition to opening checking accounts, GTE encourages nonprofit organizations to become community partners. These partners will receive even more exclusive business and employee benefits, including six months of Go Premium and Early Pay waived for employees and board members.
