***Day Air Recognized in S&P Global Market Intelligence's Top 100 Rankings***

**Kettering, OH (April 13, 2023)** - Day Air Credit Union was recognized by S&P Global Market Intelligence as one of the Top 100 Performing Credit Unions, securing the 68<sup>th</sup> spot in 2022 out of nearly 1,800 qualified credit unions nationwide. Day Air ranked as the top performing Ohio Credit Union and is one of only three financial institutions (banks and credit unions) headquartered in Southwest, Ohio on the list.

“This accomplishment further solidifies our position as a nationally recognized financial institution where members can feel safe about their financial future,” said Bill Burke, Day Air Credit Union President and CEO. “We take great pride in this achievement, made possible by our dedicated associates, partners and Board of Directors.”

Credit unions were evaluated using five financial performance metrics: member growth, total number of loans per member, net worth as a percentage of total assets, delinquent loans as a percentage of total loans, and return on average assets for a 12-month period ending Dec. 31, 2022.

Day Air Credit Union is widely regarded as one of the Miami Valley's most trustworthy financial institutions, established upon a strong and secure foundation. Boasting an impressive capital ratio that is more than double what the NCUA considers adequate, Day Air continues to set standards for service excellence in banking today.
