LGE Community Credit Union ranked #1 in Georgia on Forbes' Best-In-State Credit Unions list

Atlanta, Ga. (June 28, 2023) – LGE Community Credit Union was recently named the top credit union in Georgia by Forbes in the publication's 2023 Best-in-State Credit Unions list.

To create the list, Forbes partnered with market research firm Statista and surveyed approximately 31,000 U.S. residents. Participants were asked to name all the banks and credit unions where they have a checking or savings account and evaluate these institutions based on criteria such as customer service and the overall level of trust the companies inspired.

Online reviews and ratings posted on Google Reviews were also evaluated for each credit union. These reviews and ratings accounted for 20% of the scoring, while the surveys accounted for 80%.

LGE was one of only five credit unions in Georgia to receive the Best-in-State designation. For the full list of Best Credit Unions in Each State, visit <https://www.forbes.com/lists/best-in-state-credit-unions/>.
