**Vantage Launches New Digital Banking Platform
and Redesigned Website**

ST. LOUIS –Vantage Credit Union launched a new, intuitive digital banking experience and a redesigned website at vcu.com in a continued commitment to delivering best-in-class member service. These enhancements provide new and updated features to help members manage their finances in the best way possible.

Vantage partnered with cutting-edge technology partner, Lumin Digital, to deliver the new cloud-based digital banking platform. In addition to features Vantage members know and expect, the new platform offers a redesigned dashboard, account activity alerts, financial wellness tools and a credit simulator, among other features.

“Our lives are on the go, and our new digital banking platform offers our members an enhanced experience for serving their financial needs anytime, anywhere,” said Mike Gatrell, Chief Growth & Revenue Officer, Vantage Credit Union. “Engaging with our members and anticipating their needs is part of our trusted advisor relationship and we’re here to provide the tools and services they’ll need along their financial journeys.”

Along with the new digital banking platform, members will enjoy the new vcu.com. The redesigned website provides information on all things Vantage related—products, services, locations and more—at your fingertips.

Founded on the philosophy of *People Helping People*, Vantage is committed to the needs of its members and a superior digital banking experience is crucial to fulfilling members’ needs.
