**STARTRIBUNE NAMES TOPLINE FINANCIAL CREDIT UNION A 2023 NATIONAL STANDARD TOP
WORKPLACE**

TopLine is honored to be named a top workplace

MAPLE GROVE, MINN. — June 14, 2023— Local member-owned financial services cooperative [TopLine Financial Credit Union](#) has been named one of the Top Workplaces in Minnesota by the Star Tribune. A complete list of those selected is available online at [Star Tribune Top Workplace 2023](#) and will be published in the Star Tribune Top Workplaces special section on Sunday, June 18.

Produced by the same team that compiles the 32-year-old Star Tribune 100 report of the best-performing public companies in Minnesota, Top Workplaces recognizes the most progressive companies in Minnesota based on employee opinions measuring engagement, organizational health and satisfaction. The analysis included responses from 124,719 employees at Minnesota public, private and nonprofit organizations.

The results of the Star Tribune Top Workplaces are based on survey information collected by [Energage](#), an independent company specializing in employee engagement and retention.

To qualify for the Star Tribune Top Workplaces, a company must have more than 50 employees in Minnesota. Over 5,000 companies were invited to participate. Rankings were composite scores calculated purely on the basis of employee responses.

“We are honored to be recognized as a 2023 Star Tribune National Standard Top Workplace among the many hundreds of companies that participated in the survey, especially since our judges were our very own TopLine employees,” said Mick Olson, President and CEO, TopLine Financial Credit Union. “We achieved this remarkable designation based on the commitment, collaboration and enthusiasm of our TopLine family of employees who support our culture of being passionate about helping people.”

Star Tribune CEO and Publisher Steve Grove said, “The companies in the Star Tribune Top Workplaces deserve high praise for creating the very best work environments in the state of Minnesota. My congratulations to each of these exceptional companies.”
