1st United Credit Union Named a Greater Bay Area Top Workplace for the 5th Year

PLEASANTON, CA (August 15, 2023): 1st United Credit Union has been awarded a Top Workplaces 2023 honor by San Francisco Bay Area Top Workplaces.

The Top Workplaces list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#) LLC. The anonymous survey uniquely measures culture drivers that are critical to the success of any organization: including alignment, execution, and connection.

“This is more than just an award for our company,” commented Steve Stone, CEO at 1st United Credit Union. “Our employees are our most important resource. We are grateful they are comfortable sharing their feedback through the Top Workplace evaluation because it gives us an opportunity to work towards building a positive company culture where our employees can thrive in their careers.”

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”
