eDOC Adds Seven New In-House Imaging Clients through Strategic Partnerships

Middlebury, VT – November 7, 2024 – eDOC is excited to announce the addition of seven new in-house imaging clients in 2024, demonstrating the company’s ongoing commitment to delivering advanced document management solutions to the industry. These new customers were established through eDOC’s strong relationships with key network partners.

The new clients that implemented eDOC’s imaging solutions this year include:

- Lakota Federal Credit Union
- GHS Federal Credit Union
- Priority Federal Credit Union
- Hawaii First Federal Credit Union
- Bloom Credit Union
- LincOne Federal Credit Union
- Illiana Financial Credit Union

eDOC’s in-house imaging solutions help credit unions streamline document storage, retrieval, and management processes, allowing them to operate more efficiently and improve compliance. By offering secure and accessible digital archives, eDOC supports credit unions in reducing paper reliance and enhancing member services.

“We’re excited to welcome these seven new clients to our imaging platform,” said Mark Fierro, CEO at eDOC. “Our in-house imaging solutions offer a powerful way for credit unions to streamline operations and focus more on member relationships, and we’re proud to be a part of their digital transformation journey. I am thrilled to be a part of the network and collaborating with them to provide a tightly integrated workflow for our mutual clients.”
