## FOR IMMEDIATE RELEASE

### eDOC Expands Mobile RDC Client Base in 2024

*Middlebury, VT – October 31, 2024* – eDOC is pleased to announce significant growth in its Mobile Remote Deposit Capture (RDC) solution in 2024. This year, 20 new financial institutions partnered with eDOC to offer their members a seamless mobile check deposit experience, with 6 existing clients also implementing eDOC’s cutting-edge RDC technology.

eDOC’s Mobile RDC solution allows members to deposit checks securely using their smartphones, reducing the need for branch visits and enhancing convenience. With consumer demand for mobile services continuing to grow, eDOC’s RDC platform is a valuable asset for credit unions aiming to provide members with modern, easy-to-use digital banking tools.

“Mobile RDC has become an essential offering for credit unions looking to deliver convenience and efficiency to their members,” said Walt Sowers, Director of Check Operations at eDOC. “We’re excited to have helped so many new and existing clients implement this technology in 2024 and look forward to continuing to drive innovation in mobile financial services.”
