## FOR IMMEDIATE RELEASE

### eDOC Expands eDOCSignature Footprint with 48 New Clients in 2024

*Middlebury, VT – October 25, 2024* – eDOC, a leader in digital transaction management for financial institutions, is proud to announce the addition of 48 new clients to its eDOCSignature platform in 2024. The surge in new adoption reflects the growing demand for secure, paperless transaction solutions that streamline workflows and enhance operational efficiency.

eDOCSignature enables credit unions and other financial institutions to offer their members and customers a seamless, fully digital transaction experience. It is available either as a fully integrated solution with the core, or as a stand-alone. From loan agreements to membership applications, eDOCSignature simplifies the process by eliminating paper, reducing delays, and ensuring compliance with industry standards.

“We’re thrilled to welcome these new clients to the eDOCSignature family,” said Joseph Lao, VP of Sales and Market Development at eDOC. “Our solution empowers institutions to meet the evolving needs of their members, who expect secure, digital-first options for handling financial transactions.”

The growth in eDOCSignature clients showcases eDOC’s continued innovation and commitment to helping credit unions embrace the future of digital banking.
