

EPIC Launches Payoff Clearinghouse for Auto Lenders

Revolutionizing Payoffs — No More Paper Checks!

EPIC is transforming the way financial institutions receive loan and lease payoffs on vehicles by offering a **completely free, payoff clearinghouse**, eliminating the delays and inefficiencies of paper checks.

With **zero IT effort required**, EPIC's payoff clearinghouse is easy to implement and already trusted by leading financial institutions nationwide. Leveraging EPIC, financial institutions can receive secure, electronic payoffs from auto dealers and total loss settlements from insurance carriers — streamlining operations to drive efficiencies and mitigate payment deficiencies.

Auto lenders looking to modernize their process and stay competitive can join EPIC's growing clearinghouse network with no cost, no contracts, and no disruption to current workflows.
