EECU and Madera County Superintendent of Schools Celebrate New ATM with Ribbon-Cutting Ceremony

FRESNO, Calif. (June 25, 2025) — Educational Employees Credit Union (EECU) and the Madera County Superintendent of Schools (MCSOS) celebrated the opening of a new on-site ATM with a ribbon-cutting ceremony on Wednesday, June 25. The opening represents a continued partnership between the two organizations focused on accessibility, service, and investment in the growing Madera community.

Located in Madera just outside the MCSOS building at 1025 S. Madera Ave., the new EECU ATM provides community members with 24/7 access to banking services, including withdrawals, deposits, transfers and balance inquiries. This addition supports EECU's mission to make financial services more convenient and accessible for the communities it serves.

"We're proud to partner with the Madera County Superintendent of Schools to expand access to essential financial services with the opening of this new ATM," said Elizabeth J. Dooley, EECU president and CEO. "This central location provides around-the-clock access and helps us better serve the Madera community."

EECU also offers a full-service branch in Madera on Yosemite Avenue, an ATM at Madera Community College, and an ATM in Madera Ranchos. With a growing membership of more than 20,800 in Madera County, EECU remains committed to expanding access and support for its local members.

The ribbon-cutting ceremony featured remarks from Madera County Superintendent of Schools Dr. Cecilia Massetti, followed by a ceremonial ribbon-cutting in collaboration with the Madera Chamber of Commerce, and refreshments for attendees.

In a special highlight of the event, young students and staff from the nearby MCSOS Early Education Center joined in the celebration. The children enjoyed meeting EECU's mascot, Eddie the Owl, and posed for photos to mark the occasion.
