

FOR IMMEDIATE RELEASE

Alogent's Unify Platform Named "Best Consumer Payments System for Banks & FIs" at 2025 PayTech Awards

Peachtree Corners, GA, July 8, 2025 – [Alogent \(@Alogent-Corp\)](#), a leading provider of software solutions for the banking and financial services market, is proud to announce that [Unify](#) has won the 2025 PayTech Award for "Best Consumer Payments System for Banks & FIs."

The PayTech Awards honor innovation and excellence across the global banking and payments industry. Winners are selected by an independent panel of industry experts based on their impact, innovation, and overall contribution to the market.

"This award is a testament to Team Alogent's dedication to pushing the industry forward," said Ashish Bhatia, VP of Product Management at Alogent. "Unify was built to modernize operations at financial institutions, and we're proud to see its impact recognized on a global stage."

[Unify](#) is redefining how banks and credit unions manage item processing by consolidating deposits and back-office workflows into a single, cloud-native platform. With real-time, transaction-level processing, greater visibility, integrated fraud mitigation, and intelligent exception handling, Unify helps institutions operate more efficiently and securely. Its scalable architecture supports long-term growth, making it easier for financial institutions to adapt to change and meet evolving market demands.
