## **Partner Credit Unions Enter an Era of Possibilities During the 2025 myCUMortgage Partner Conference**

***Attendees invited to embrace innovation and join their members'  
Pursuit of the American Dream of Homeownership***

BEAVERCREEK, Ohio, August 7, 2025 – Credit union mortgage leaders from across the country are preparing to embrace the glamour and optimism of the Roaring Twenties during the 2025 myCUMortgage Partner Conference, scheduled for October 14-16, in Dayton, Ohio. myCUMortgage is a leading Credit Union Service Organization (CUSO) and wholly owned by Wright-Patt Credit Union.

During this year's event, myCUMortgage's partner credit unions will enjoy dynamic professional development sessions, an inspiring keynote speaker and meaningful conversations – all set against a backdrop inspired by the spirit of possibility and progress. Aptly themed, ***An Era of Possibilities: Pursuing the American Dream of Homeownership***, the event's focus is on making homeownership a reality for more credit union members than ever before.

"This year's Partner Conference is all about creating new opportunities and expanding the possibilities for homeownership," said Paul Sutor, myCUMortgage President. "We're excited to invite our partner credit unions to join us for three engaging days of industry insights, technology demonstrations and networking with the myCUMortgage experts and fellow industry leaders. It's an ideal place to come and explore this new era of possibilities together."

Attendees can look forward to a full lineup of topics and events designed to help credit union mortgage lenders learn through direct interaction with myCUMortgage experts and other credit union participants. This year's conference features in-depth information on industry best practices, regulatory updates, economic outlooks and practical experience process and technology education.

Kicking off the conference is keynote speaker Joe Roberts, the Skid Row CEO. Embodying the power of possibility, Joe's astounding transformation from substance abuse and homelessness to a leading executive has inspired countless audiences to believe in their own unlimited potential and create deep-rooted change in their lives and organizations. As founder of the Push for Change campaign, Joe raised awareness and funds for homeless youth by walking the entire width of North America – 35,000 steps every day for 17 months. The campaign earned him numerous accolades and, more importantly, improved federal programs for vulnerable children.

The Partner Conference also features the Annual myCUMortgage Awards program, recognizing partner credit unions who have successfully helped members in their pursuit of homeownership. Nominations for individual and organizational awards are now open – visit <https://www.2025mycupartnerconference.com/awards> to nominate who you believe is the "best of the best" in credit union mortgage lending.
